University of Essex
Master Business Administration

University of Essex

University of the Year
(Times Higher Education
Awards 2018)

Modules

13 modules & Dissertation

Study Mode

Flexible Distributed Learning

Duration

24 Months

COURSE DETAILS

Experiential learning is at the core of the MBA programme the interactive real-time synchronous attendance events deliver a wealth of reflection and learning opportunities for the students as they collaborate in groups of different sizes and composition. These real-time interactions allow students to contribute, share and reflect upon experiences and insights drawn from the different industrial, geographical and cultural perspectives represented in the global MBA community. The studies culminate in the completion of an MBA Project, a dissertation or business plan on the business area of the choice, with research that has conducted by the student.

ENTRY REQUIREMENTS

A 1st, 2:1 or 2:2 undergraduate degree from an approved institution equivalent to a UK Honours degree.

At least three years' relevant, professional work experience, post-graduation or five years of relevant managerial experience.
