COURSE DETAILS

The online Management Accounting (Top-Up) BSc (Hons) course will equip you with the relevant skills to pursue Management Accounting positions within a sector of your choice. This course allows you to top up existing qualifications to a full Management Accounting undergraduate degree. It explores the complex and challenging nature of the management accounting and business environment. Management Accounting (Top-Up) BSc (Hons) is ideally suited to holders of the CIMA (Chartered Institute of Management Accountants) Advanced Diploma in Management Accounting and those interested in obtaining a degree in Management Accounting who have professional accounting qualifications or external business, finance or accountancy qualifications (up to level 5).

ENTRY REQUIREMENTS

- CIMA Advanced Diploma (E2/P2/F2) in Management Accounting
- ACCA - Any 6 papers from F1-F9
- HND or foundation degree in Business, Accountancy or Finance or equivalent overseas qualification
- Edexcel BTEC Level 5 HND Diploma in Business with accountancy or finance
- ICAEW (Institute of Chartered Accountants in England and Wales) Professional Stage qualifications
- CIPFA (Chartered Institute of Public Finance and Accountancy) Professional Diploma
